Features & Benefits

Feature	Benefit
Touch Control Digital Technology	<ul style="list-style-type: none"> • Full-featured, easy-view command center - right at your fingertips • Easy to set and see temperatures • Manages key model functions and provides user alerts
Multiple temperature zones	<ul style="list-style-type: none"> • Top two wine racks - approximately 45° • Middle to lower refrigeration shelves - approximately 38° <ul style="list-style-type: none"> - Store and serve beverages at their best-suited temperatures - Soda, water and beer at cooler temperatures • Wine at a warmer temperature - up to 16 (0.75 L) bottles
Black interior	Elegant visual appearance
Adjustable on/off interior light	<ul style="list-style-type: none"> • Automatically illuminates when the door is opened • May be manually turned on when door is closed for viewing contents • Auto shut-off after four hours • Recessed so as not to interfere with access to wine
Open door alarm	Audible alert when door is left open
Two tempered glass shelves	Allows for flexible storage space.
Full extension slide-out vinyl-coated wine racks	Allow for easy access to all wine bottles and prevent bottles from slipping. Up to sixteen (16) wine bottle capacity (0.75 L).
Contoured maple-trimmed wine racks	Wood can be stained or replaced with a solid surface material to match surrounding décor.
Tinted, thermal glass door	<ul style="list-style-type: none"> • Allows for effective product presentation • Protects wine and other products from potentially harmful ultraviolet light rays
Stainless steel model	<ul style="list-style-type: none"> • Offers a seamless stainless steel-trimmed glass door with a sculpted stainless steel handle and a full wrap stainless cabinet, and a stainless-like grille • Must order right- or left-hand hinged • Optional bold commercial-style stainless steel handle available for purchase
Overlay model	<ul style="list-style-type: none"> • A custom overlay frame must be installed • Black vinyl-clad cabinet, resistant to scratching, peeling and flaking, and black grille • Field-reversible doors for flexible installation
Self-closing door	<ul style="list-style-type: none"> • Engages when the door is open 8-10" • Ensures a positive door seat and prevents bounce-back
Built-in or freestanding	Provides custom look when built-in with no additional venting clearance needed on sides, top or rear. Do not obstruct the grille.
Leveling legs	More precise undercounter fit, durable, factory-installed
Sabbath or "Black Out" mode	Easily turn off all lights and control displays.
Contemporary grille design	Integrates seamlessly with surrounding cabinetry
